TO: THE UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF MICHIGAN

UNITED STATES OF AMERICA, Plaintiff

--

Randy J. Chaffee, conditional respondent, a man.

RE: Case No. 18-CV-11559

F I L E D
SEP 27 2018
CLERK'S OFFICE
DETROIT

1. NOTICE - This document can not be used to create any form of jurisdiction.

RE: Personal Jurisdiction Challenge.

2. Governing Law-“A corporation or individual not physically present in a state may invoke personal jurisdiction by making a single contact with the state by telephone, mail, or facsimile transmission.” In *Hanson v. Denckla*, 357 U.S. 235, 78 S. Ct. 1228, 2 L. Ed. 2d 1283(1958). Personal jurisdiction in the federal courts is governed by rule 4 of the Federal Rules of Civil Procedure.

3. This challenge is requested with 'no oral arguments'. Due to the distance I live from the captioned Court and my lack of resources I can not attend this hearing and wish it to be called up by the court administrator and answered/evidenced in writing by the Plaintiff.

4. That I am not an attorney and have no resources to gain the aid of an attorney and required statutes if any. This document is not to be construed as a motion. As such courts aid is required in 'United States v. CIA'.

5. Court is to take judicial notice of the evidenced law herein below.

-Supporting Evidence of Law:

“A plaintiff must plead and prove the jurisdictional facts, the facts which show that the court has jurisdiction of the subject matter of the action.” *Paulsen v. Paulsen*, 658 N.W.2d 49, Neb.App.,2003

“Once jurisdiction is challenged, the party cannot proceed when it clearly appears that the court lacks jurisdiction, the court has no authority to reach merits, but rather, should dismiss the action.” *Melo v. US* 505 F2d 1026

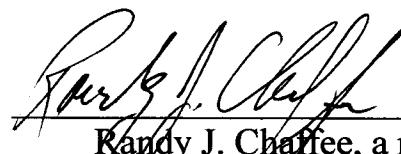

“Complaint must charge all that is essential to constitute offense.” *Smith v. State*, 21 Neb. 552, 32 N.W. 594 (1887). Personal, and specific territorial, jurisdiction must be

charged and evidence when challenged. (What evidence does the moving party (not the judge) possess, for the record, that I said, did (contact), or signed (contract) to become a 'person' subject to the US court.)

I, Randy J. Chaffee, now, challenge the Plaintiff to prove/evidence, in writing, on/in the official record, fact evidence of personal jurisdiction over me, as to what I said, did (contact), or signed (contract) to become a 'person' subject to this US court, as a man that has not elected to become a U.S. Citizen, or to contract with the same.

Therefore, upon the Plaintiff's failure to evidence personal jurisdiction, as challenged, the court has a duty to dismiss, on its own initiative, for its lack of evidenced personal jurisdiction which creates a general jurisdiction want of jurisdiction. This case must be dismissed, as a matter of law, forthwith.
